About – SELECT KITCHEN

Select Kitchen is one of the leading distributors of kitchen cabinetry and bathroom vanities in the Northeast. As the manufacturer, importer, and distributor, we are able to offer our customers the highest quality at an affordable price point.

Select Kitchen's cabinetry and vanities are constructed from solid wood. No MDF or particle board! Our cabinets provide functional, easy-to-use storage and come with the following features:

- All wood construction
- Full color matched interiors
- Solid wood frame, doors, and drawer face
- European style soft close door hinges that are 6-way adjustable
- Dovetailed drawer boxes
- Undermount soft-closing drawer slides with a lock-in mechanism for quick and easy adjustments
- Metal bracket supports in all corners for long-standing durability
- Carb 2 Compliant with TSCA Title VI compliance for all cabinets and vanities

We offer high quality solid wood cabinets and vanities that are stylish, durable, and reliable, ranging from traditional to modern door styles that will be able to accommodate any home and any taste.
